

Invitation: Austrian International Amateur Theatre Festival

FOCUS 2016

June 16 to 19, 2016, Bregenzerwald

The Austrian Amateur Theatre Festival with international participation, FOCUS 2016, will take place in a region rather than in a town, in the region of Bregenzerwald.

All the amateur theatre groups of Bregenzerwald, 13 all together, will commonly host FOCUS 2016. Preparing the event, intensive open collaboration is required for common development and organisation, and the exchange of ideas.

Together with all our guests from around the world we want to celebrate a great, creative, thrilling, passionate, open theatre festival without borders.

Therefore, we invite keen amateur theatre troupes to apply.

FOCUS expects productions of high literary and dramaturgical standards and ample variety in contents and artistic expression.

Plays that do not rely heavily on text will be preferred to the benefit of an audience not speaking the respective languages.

We offer:

- about 12 representative plays, each 30 up to 90 minutes
- professional feedback, open discussion
- free board and lodging for a maximum of 10 players per group
- a great scenery and attractive supporting programme

Please submit your application form to

Landesverband für Amateurtheater, Jahngasse 10/3, 6850 Dornbirn

Please reply before December 15, 2015.

A professional selection committee will decide, who will finally be invited.
